

Cost Study Meetings

Early Childhood Education and Care Department (ECECD) invites you to join us for upcoming cost study meetings as part of the Child Care and Development Fund (CCDF) plan. The goal of each session is to share and discuss the child care cost modeling process and findings with the broader child care community. ECECD welcomes community feedback as part of this important process concerning child care rates. Please use the provided links to register for the desired meeting. Registration is required prior to the event. Spanish and ASL translation will be provided at each meeting.

Registration is required for participation
