EPICS Child Care Provider Dashboard

The EPICS Child Care provider dashboard was designed for **childcare providers**. Owners, Directors, and Administrators of licensed and registered child care programs are encouraged to utilize EPICS Child Care provider dashboard.

Benefits of accessing this user-friendly platform include:

- **Accept and decline childcare contracts online**
  - Email notifications for pending, approved or denied contracts
  - View/print all childcare contracts
- **Manage Employees**
  - Identify employee activation and inactivation
  - Update address and contact information
  - View certification information
- **View childcare payments and remittances**
  - Optional: choose to go paperless
- **View of childcare certifications**
- **Resources/Informational hyperlinks**

For **EPICS Child Care Provider Dashboard** information and support visit:

How to access Provider Dashboard?

Providers will need to have an account with New Mexico Early Learning System (NMELS).

- Create a free NMELS account here: https://nmels.org
- Providers will need to take a **30-minute** training on the on the New Mexico Early Learning System (NMELS) website.
- Upon completion of training, provider will be prompted to complete a request form and ECECD will grant access.

Providers must utilize the provider dashboard to ensure they and their employees are eligible for upcoming one time **incentive payments.**
