

# After School Meals and Snacks during Thanksgiving Break

The New Mexico Early Childhood Education & Care Departments' Family Nutrition Bureau is recruiting organizations to provide USDA funded meals and snacks to children during the **Thanksgiving Holiday** extended weekend.

Programs currently approved for At Risk are eligible to participate as well as organizations not currently participating in CACFP At-Risk.

- Available for children up to 18 years of age

## Questions?

FNB will host 4 webinars to provide technical assistance on how to apply to participate in this initiative for Thanksgiving Break.

### 10/26 and 11/4

For organizations that have an agreement in place (*Assistance with completing an amendment to add holiday service*)

### 10/14 and 10/27

For organizations that do not have an agreement with FNB and are not participating in CACFP (*Assistance provided on completing an application for participation*)
