

New Mexico Early Childhood Education and Care Department Spring Tour 2022

Cabinet Secretary Elizabeth Groginsky will be visiting **20+ communities across New Mexico** in the coming months to meet with community partners and learn more about how ECECD can better partner with early childhood and health providers, public schools, Head Start programs, and sovereign nations to improve outcomes for families and young children.

If you are interested in participating in a local early childhood education and care roundtable at any of these locations, please email Helen Quintana at HelenT.Quintana@state.nm.us. We look forward to seeing you and visiting your community soon!
