# Summer Programming Options

- Existing PreK programs can offer one of the following options for in person learning:
  - 128-hour program
  - 64-hour program
- The maximum group size is 20 children with a ratio of 10 Children:1 Teacher
- The per child rate is as follows:
  - \$1,200 per child for the 128-hour program option
  - \$600 per child for the 64-hour program option
- All programs will receive consultation support during the summer programming
- Funding is based on number of children enrolled
  - money may be reverted due to not being fully enrolled

# NM PreK Summer JumpStart Requirements

- Provide summer programming for currently enrolled Pre-K students
- Tribal and Pueblo Programs are eligible to apply for Summer Jumpstart.
- Prioritize enrollment for students who have special needs in accordance with the NM PreK Act
- One family transition conference is required at the end of Summer JumpStart
- Focus on kindergarten transition and social and emotional development
- Complete the NM PreK Summer JumpStart assessment rubric rating to be shared at transition conference (form will be provided)
- Complete at least two portfolio collections on literacy and math of your choice to be shared at transition conference
