8.15.2 NMAC Concise Explanatory Statement For Rulemaking Adoption:

These amendments are emergency rule amendments made pursuant to NMSA 1978, § 14-4-5.6. These are temporary rule amendments. Pursuant to NMSA 1978, § 14-4-5.6(E), these emergency amendments are not permanent and will expire if no permanent rule is adopted within one hundred and eighty (180) days from the effective date of these emergency amendments. These emergency amendments are necessary because the Early Childhood Education and Care Department (ECECD) finds that the time required to complete the normal rulemaking procedures would (1) cause an imminent peril to the public health, safety and welfare of families receiving or needing child care assistance subsidies from ECECD; and, (2) to ensure that the child care assistance subsidy system remains economically viable for all intended recipients in New Mexico and provides an incentive for parents and guardians to return to work or remain in the workforce.

For these reasons, these emergency rule amendments are filed, effective on the dates set forth below, to amend 8.15.2 NMAC, Sections **8.15.2.9(G); 8.15.2.12; and 8.15.2.14(C)(2)**.

Summary:

ECECD amends 8.15.2.9(G) NMAC on an emergency basis in order to raise the eligibility income level for New Mexico families to receive cost-free child care, from entry at 350% of the federal poverty level (FPL) up to 400% FPL. ECECD is also amending 8.15.2.12 and 8.15.2.14(C)(2) NMAC, recertification and case closure/suspension, to raise the income levels from 400% FPL to 425% FPL for a family to continue qualifying for cost-free child care. The amendments to these sections, in addition to those emergency amendments ECECD enacted on May 1, 2022, effectively raises the income level for families in New Mexico to be eligible to receive cost-free child care, thereby allowing more parents to return to work. These emergency changes allow a family of four to enter into ECECD's cost-free child care system at 400% FPL and continue receiving cost-free child care up until the family earns 425% FPL. For purposes of reference, the U.S. Health and Human Services (HHS) Department's 2022 federal poverty guidelines for the 48 Contiguous States set 400% of the FPL for a family of four at \$111,000 annually. See <https://aspe.hhs.gov/topics/poverty-economic-mobility/poverty-guidelines>. That means a family of four in New Mexico can receive cost-free child care if they earn \$111,000 or less annually, and can continue to receive the subsidy until they earn over \$117,937.56.

8.15.2.9 NMAC amends the Priorities for Assistance as follows in order to raise the eligibility income level for New Mexico families to receive cost-free child care, from entry at 350% of the federal poverty level (FPL) up to 400% FPL:

G. Priority four plus: During this period of economic recovery and subject to budgetary considerations, child care assistance for essential workers whose income is above two hundred percent of the federal poverty level but at or below ~~three~~ four hundred ~~fifty~~ percent of the federal poverty level, adjusted annually in accordance with federal guidelines. These families are certified for a 12 month block of time and will remain eligible at or below four hundred ~~and twenty-five~~ percent of the federal poverty level. Exceptions to the 12 month certification period are included in 8.15.2.11 NMAC. The department prioritizes child care services within priority four plus for children with special needs, disabilities, homeless families, and for teen parents

2022 MAY -6 PM 1:16

8.15.2.12 NMAC amends the Recertification as follows in order to raise the income levels from 400% FPL to 425% FPL for a family to continue qualifying for cost-free child care:

*Recertification: Clients must recertify for services at the end of their eligibility period by complying with all requirements of initial certification. Clients who recertify will qualify at or below two hundred and fifty percent of the federal poverty level. Clients above two hundred and fifty percent of the federal poverty level must qualify as an essential worker as defined in Paragraph (2) of Subsection E of 8.15.2.9 NMAC. Clients designated as essential workers who recertify must be at or below four hundred **and twenty-five** percent of the federal poverty level. If recertification is not completed in a timely manner, the case may be closed on the last day of the month for which assistance is provided under the previous child care placement agreement. At time of recertification, clients must provide documentation of income, or proof of school enrollment. Changes in income, household size, employment, training or educational status are noted in the client's record. Co-payment, if applicable, is re-determined at the time of recertification. A 12-month certification period will be granted in accordance with eligibility requirements outlined in Subsection B of 8.15.2.11 NMAC.*

8.15.2.14 (C)(2) NMAC amends the Case Suspensions and Closure requirements as follows in order to raise the income levels from 400% FPL to 425% FPL for a family to continue qualifying for cost-free child care:

*C. (2) income in excess of two hundred and fifty percent federal poverty level or a client designated as an essential worker, as defined in Paragraph (2) of Subsection E of 8.15.2.9 NMAC, with an income in excess of four hundred **and twenty-five** percent of the federal poverty level.*

ECECD amends the above sections on an emergency basis, in addition to those emergency amendments enacted to this chapter on May 1, 2022, to encourage the economic recovery of the state by ensuring that a sufficient workforce exists for the New Mexico economy to recover from the COVID-19 public health emergency, rising national inflation, and other economic stressors affecting New Mexico's working class. ECECD, along with other state agencies and the Governor's Office, witness countless parents and families throughout New Mexico unable to afford quality child care. Parents and families unable to afford the rising costs of child care, and therefore unable to return to the workforce full or even part time, risk New Mexico's economic recovery due to the fact that there is a continued shortage in the workforce. These emergency amendments will ensure that the majority of New Mexico's working class families can attain cost-free child care and help jumpstart New Mexico's economy by allowing parents and guardians to return to work and rely on subsidized child care.

Funds to pay for this benefit expansion will come from the federal American Rescue Plan Act of 2021, also called the COVID-19 Stimulus Package or American Rescue Plan, which is a \$1.9 trillion economic stimulus bill passed by the United States Congress and signed into law by President Joe Biden on March 11, 2021, to speed up the United States' recovery from the economic and health effects of the COVID-19 pandemic and the ongoing recession. The American Rescue Plan includes federal relief funds for child care assistance in order to help parents return to work and jumpstart the economy. It is generally understood and accepted that the lack of high quality, affordable child care is the primary impediment to a parent or guardian's stable employment. Further, it is generally understood and accepted that an otherwise capable adult is unable to enter the workforce if they do not have quality child care to cover for hours of employment and/or educational/vocational classes.

This is an Emergency Amendment to 8.15.2 NMAC, Sections 9, 12 and 14 effective 5/06/2022.

8.15.2.9 PRIORITIES FOR ASSISTANCE: Any funds received by the department under the child care development fund and other sources are expended for child care assistance pursuant to the following priorities:

A. Priority one: Clients receiving temporary assistance to needy families (TANF) benefits to include TANF diversionary payment, are considered priority one clients.

(1) Participation exemption: The human services department (HSD) grants participation exemptions to TANF clients who cannot locate child care. The children, youth and families department is responsible for the verification of the TANF participant's inability to locate child care. Reasons for a participation exemption due to lack of child care are as follows:

(a) the unavailability of appropriate child care within a reasonable distance from the individual's home or work site;

(b) the unavailability or unsuitability of informal child care by a relative or under other arrangements; or

(c) the unavailability of appropriate and affordable formal child care by a relative or under other arrangements.

(2) A person who applies for participation exemption for any or all of the above reasons is referred to the children, youth and families department child care resource and referral. The child care resource and referral assists the client with location of child care. The final validation/verification of a client's inability to locate child care is determined by the child care services bureau supervisor in conjunction with his/her supervisor. A client who receives a participation exemption due to lack of child care is required to re-apply for the exemption every six months. If a person disagrees with the determination of their eligibility for a participation exemption, they may apply for a fair hearing with HSD. HSD is responsible for providing notice of the approval or denial of a participation exemption.

B. Priority one A: [RESERVED]

C. Priority one B: Child care assistance for income eligible families whose income is at or below one hundred percent of the federal poverty level, adjusted annually in accordance with federal guidelines. The department prioritizes child care services within priority one B for children with special needs, disabilities, homeless families, and for teen parents.

D. Priority two: Families transitioning off TANF and clients who have received a TANF diversionary payment. Clients must have received TANF for at least one month, or a diversionary payment, in the past 12 months in order to qualify for priority two. Only clients transitioning off TANF whose TANF cases are closed at least in part due to increased earnings or loss of earned income deductions or disregards are eligible for priority two. Priority two clients do not have to meet income eligibility requirements during their 12 consecutive month period of eligibility for priority two child care.

E. Priority three: [RESERVED]

F. Priority four: Child care assistance for families whose income is above one hundred percent of the federal poverty level but at or below two hundred percent of the federal poverty level, adjusted annually in accordance with federal guidelines. These families are certified for a 12 month block of time and will remain eligible at or below two hundred fifty percent of the federal poverty level. Exceptions to the 12 month certification period are included in 8.15.2.11 NMAC. The department prioritizes child care services within priority four for children with special needs, disabilities, homeless families, and for teen parents.

G. Priority four plus: During this period of economic recovery and subject to budgetary considerations, child care assistance for essential workers whose income is above two hundred percent of the federal poverty level but at or below ~~three~~ four hundred ~~fifty~~ percent of the federal poverty level, adjusted annually in accordance with federal guidelines. These families are certified for a 12 month block of time and will remain eligible at or below four hundred and twenty-five percent of the federal poverty level. Exceptions to the 12 month certification period are included in 8.15.2.11 NMAC. The department prioritizes child care services within priority four plus for children with special needs, disabilities, homeless families, and for teen parents.

H. Priority five: In addition to these priorities, the department pays for at-risk child care as approved by the department. Child care benefits are provided for a minimum of six months to support the family. Income, work and education requirements and copayments are waived for clients in this priority.

8.15.2.14 CASE SUSPENSIONS AND CLOSURES:

A. A case may be suspended by the client if child care benefits are not being utilized for a period not to exceed three months with payment being discontinued to the provider. The client will remain eligible for child care assistance through the remainder of their eligibility period.

B. If the client experiences a non-temporary change of activity including the loss of employment, no longer attending school, or no longer participating in a job training or education program, the child care placement agreement may close; however, the client will remain eligible for the approved 12-month eligibility period.

The Early Childhood Education and Care Department (ECECD) is amending 8.15.2.9(G) NMAC in order to raise the eligibility income level for New Mexico families to receive cost-free child care, from entry at 350% of the federal poverty level (FPL) up to 400% FPL. ECECD is also amending 8.15.2.12 and 8.15.2.14(C)(2) NMAC, recertification and case closure/suspension, to raise the income levels from 400% FPL to 425% FPL for a family to continue qualifying for cost-free child care.

These are temporary rule amendments. Pursuant to NMSA 1978, § 14-4-5.6(E), these emergency amendments are not permanent and will expire if no permanent rule is adopted within one hundred and eighty (180) days from the effective date of these emergency amendments.

Dear Parent, Guardian, and Child Care Provider:

The Early Childhood Education and Care Department (ECECD) is expanding the income eligibility limits for the child care assistance program. Families that make at or below 400% of the Federal Poverty Level (FPL) (\$111,000 a year for a family of four) will now qualify for child care assistance beginning May 1, 2022, and continuing until at least June 30, 2023. In addition, Qualified families will now remain eligible up to 425% FPL (\$117,937.56 a year for a family of four).

Recently, on May 1, 2021, ECECD expanded and extended its commitment to pay all eligible families' copayments until June 30, 2023. This expansion of income eligibility limits addressed above does not affect ECECD's commitment to continue paying copayments through June 30, 2023.

You do not need to take any action.

During this period of economic recovery from the impact of COVID-19 on our communities, ECECD is committed to supporting families and child care providers across the state. Funds to pay for this benefit expansion will come from the federal American Rescue Plan Act of 2021, also called the COVID-19 Stimulus Package or American Rescue Plan.

Sandy Trujillo-Medina

Estimado padre, guardián y proveedor del cuidado infantil:

El Departamento de Educación y Cuidado de la Temprana Infancia (ECECD) extenderá los límites de elegibilidad de ingresos para el programa de asistencia de cuidado infantil. Las familias que ganan en o por debajo del 400% del Nivel Federal de Pobreza (FPL) (\$111,000 al año por una familia de cuatro) ahora calificarán para la asistencia de cuidado infantil a partir del 1 de Mayo de 2022 y continuara hasta al menos Junio 2023. Además, las familias calificadas ahora seguirán siendo elegibles hasta un 425% de FPL (\$117,937.56 al año para una familia de cuatro).

Recientemente, el 1 de Mayo de 2021, ECECD amplió y extendió su compromiso de pagar los copagos de todas las familias elegibles hasta el 30 de Junio de 2023. Esta expansión de los límites de elegibilidad de ingresos mencionado anteriormente no afecta el compromiso de ECECD de continuar pagando copagos hasta el 30 de Junio de 2023.

No es necesario que realice ninguna acción.

Durante este período de recuperación económica del impacto de COVID-19 en nuestras comunidades, ECECD se compromete a apoyar a las familias y los proveedores de cuidado de niños en todo el estado. Los fondos para pagar esta expansión de beneficios provendrán de la ley suplemental de Plan Americano Federal de Rescate 2021, también llamada Paquete de Estímulo COVID-19 o Plan de Rescate Estadounidense.

Sandy Trujillo-Medina

TITLE 8 SOCIAL SERVICES
CHAPTER 15 CHILD CARE ASSISTANCE
PART 2 REQUIREMENTS FOR CHILD CARE ASSISTANCE PROGRAMS FOR CLIENTS AND CHILD CARE PROVIDERS

8.15.2.1 ISSUING AGENCY: Children, Youth and Families Department.
[8.15.2.1 NMAC - Rp, 8.15.2.1 NMAC, 10/1/2016]

8.15.2.2 SCOPE: This policy applies to all clients seeking child care assistance benefits, all child care providers who provide services to clients qualifying for assistance benefits, and employees of the department who determine eligibility for child care assistance benefits. (See 8.15.2.8 NMAC for detailed list.)
[8.15.2.2 NMAC - Rp, 8.15.2.2 NMAC, 10/1/2016]

8.15.2.3 STATUTORY AUTHORITY: NMSA section 9-2A-7 (1991).
[8.15.2.3 NMAC - Rp, 8.15.2.3 NMAC, 10/1/2016]

8.15.2.4 DURATION: Permanent
[8.15.2.4 NMAC - Rp, 8.15.2.4 NMAC, 10/1/2016]

8.15.2.5 EFFECTIVE DATE: October 1, 2016, unless a later date is cited at the end of section.
[8.15.2.5 NMAC - Rp, 8.15.2.5 NMAC, 10/1/2016]

8.15.2.6 OBJECTIVE:

A. To establish standards and procedures for the provision of child care assistance benefits to eligible clients and to establish the rights and responsibilities of child care providers who receive payment for providing child care services to clients receiving benefits. To establish minimum requirements for eligibility for program participation and for the provision of child care services to children whose families are receiving benefits and to allow children receiving these benefits access to quality child care settings that promote their physical, mental, emotional, and social development in a safe environment. To establish standards and procedures that promote equal access to services and prohibit discrimination based on race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, disability, or age (40 or older).

B. To establish child care assistance rates in accordance with the requirements of the Child Care and Development Block Grant (CCDBG) and the Child Care Development Fund (CCDF), which is the primary federal funding source of child care assistance to enable parents to work or pursue education and training so that they may better support their families while at the same time promoting the learning and development of their children. The CCDBG requires every state to submit an updated CCDF plan every three years. A key requirement of the CCDBG Act is that lead agencies establish subsidy payment rates that ensure equal access to child care for children receiving child care assistance. States have two options to establish subsidy payment rates that ensure equal access: lead agencies must collect and analyze data through either a statistically valid and reliable market rate survey, or through an ACF pre-approved alternative methodology, such as a cost estimation model. New Mexico's rates, as set forth herein, and effective July 1, 2021 were informed by a cost estimation model and with extensive statewide stakeholder engagement. This new cost estimation model was developed in collaboration with fiscal experts and local stakeholders to set subsidy rates at a level that supports the true cost of delivering high quality early childhood education to New Mexico's children and families. The child care subsidy rates set forth herein are designed to ensure equal access to child care for children on child care assistance and ensure parental choice by offering a full range of child care services.

C. Permissive language such as "may or may be" when referring to actions taken by the department, address situations where it is not always prudent or practical to apply these actions. It is not meant to reduce the weight of these actions nor should the intent of the policies be circumvented due to this wording. This language is intended to be construed in a fiscally responsible and equitable manner, keeping in mind that consistency in application is the ultimate goal.

B. Co-payments described in Subsection A of 8.15.2.13 NMAC, are used for determining the base co-payment for the first eligible child. The formula for determining the co-payment amount based on the co-payment schedule for the first full time child is (low end of the monthly income bracket on the co-payment schedule ÷ 200 percent of annual federal poverty level for household size) X (low end of the monthly income bracket on the co-payment schedule) X 1.1 = monthly copayment for first full time child. (4) part time 3 care will be based on twenty-five percent of the base co-payment.

D. Clients pay co-payments directly to their child care provider and must remain current in their payments. A client who does not pay co-payments may be subject to sanctions.

E. In-home providers: Parents or legal guardians who choose to use an in-home provider become the employer of the child care provider and must comply with all federal and state requirements related to employers, such as the payment of all federal and state employment taxes and the provision of wage information. Any parent or legal guardian who chooses to employ an in-home provider releases and holds the department harmless from any and all actions resulting from their status as an employer. Payments for in-home provider care are made directly to the parent or legal guardian.

F. Notification of changes: Clients must provide notification of changes via fax, e-mail, or telephone that affect the need for care to their local child care assistance office.

(1) A client must notify the department of any non-temporary change in activity or changes to household composition. Notifications must be provided within 14 calendar days of the change.

(2) A client must notify the department when their household income exceeds eighty-five percent of the state median income, taking into account any fluctuation(s) of income.

(3) A client must notify the department of any changes to their contact information.

(4) A client who changes a provider must notify the department and the current provider 14 calendar days prior to the expected last day of enrollment. If this requirement for notification is met by the client, the current provider will be paid through the 14th calendar day. If this notification requirement is not met, the current provider will be paid 14 calendar days from the last date of nonattendance. The child care placement agreement with the new provider shall become effective when payment to the previous provider ceases. The client will be responsible for payment to the new provider beginning on the start date at the new provider and until the final date of payment to the former provider.

(5) If the client has not used the authorized provider for 14 consecutive calendar days, the child will be disenrolled from that provider and the client will remain eligible for the remainder of their eligibility period.

(6) Clients who do not comply with this requirement may be sanctioned.

8.15.2.14 CASE SUSPENSIONS AND CLOSURES:

A. A case may be suspended by the client if child care benefits are not being utilized for a period not to exceed three months with payment being discontinued to the provider. The client will remain eligible for child care assistance through the remainder of their eligibility period.

B. If the client experiences a non-temporary change of activity including the loss of employment, no longer attending school, or no longer participating in a job training or education program, the child care placement agreement may close; however, the client will remain eligible for the approved 12-month eligibility period.

C. A case will be closed if the following conditions apply:

A. All child care providers who receive child care assistance reimbursements are required to be licensed or registered by the department and meet and maintain compliance with the appropriate licensing and registration regulations in order to receive payment for child care services. Beginning July 1, 2012, child care programs holding a 1-star license are not eligible for child care assistance subsidies. The department honors properly issued military child care licenses to providers located on military bases and tribal child care licenses properly issued to providers located on tribal lands.

B. Signed child care placement agreements (including electronically signed child care placement agreements) must be returned by hand delivery, mail, email, fax, or electronic submission to the local child care office within 30 calendar days of issuance. D. Notification of changes: Child care providers must notify the department if a child is disenrolled or child care has not been used for 14 consecutive calendar days without notice from the client.

(2) If a provider does not notify the department of disenrollment or of non-use for 14 consecutive calendar days, the provider will be paid through the last date of attendance.

E. Child care providers accept the rate the department pays for child care and are not allowed to charge families receiving child care assistance above the department rate for the hours listed on the child care placement agreement. Failure to comply with this requirement may result in sanctions.

(1) Providers are not allowed to charge clients a registration/educational fee for any child who is receiving child care assistance benefits as listed under 8.15.2 NMAC. The rates set forth below are informed by a cost estimation model and include expenses for registration/educational fees per child and child and family activities on behalf of clients under 8.15.2 NMAC.

(2) In situations where an incidental cost may occur such as field trips, special lunches or other similar situations, the child care provider is allowed to charge the child care assistance family the additional cost, provided the cost does not exceed that charged to private pay families.

(3) Child care providers are allowed to charge child care assistance families the applicable gross receipts tax for the sum of the child care assistance benefit and co-payment.

F. Under emergency circumstances, when CYFD has reason to believe that the health, safety or welfare of a child is at risk, the department may immediately suspend or terminate assistance payments to a licensed or registered provider. The child care resource and referral will assist clients with choosing another CYFD approved provider.

G. Owners and licensees may not receive child care subsidy payments to provide care for their own children.

H. Providers who are found to have engaged in fraud relating to any state or federal programs, or who have pending charges for or convictions of any criminal charge related to financial practices will not be eligible to participate in the subsidy program.

8.15.2.17 PAYMENT FOR SERVICES: The department pays child care providers on a monthly basis, according to standard practice for the child care industry. Payment is based upon the child's enrollment with the provider as reflected in the child care placement agreement, rather than daily attendance. As a result, most placements reflect a month of service provision and are paid on this basis. However, placements may be closed at any time during the month. A signed child care placement agreement must be returned to the department for payment to be issued to the provider. The following circumstances under which the department may close placements or discontinue payment at a time other than the end of the month:

A. When the child care placement agreement expires during the month, or when the provider requests that the client change providers or the provider discontinues services; payment will be made through the last day that care is provided.

B. Payment for notification of changes:

(1) If a client fails to notify the department within 14 calendar days of their expected last day of enrollment, the department will pay the provider 14 calendar days from the last day of nonattendance. The child care placement agreement with the new provider shall become effective when payment to the previous provider ceases.

(2) If the provider notifies the department of a child who is disenrolled or child care has not been used for 14 consecutive calendar days, the provider will be paid through the 14th calendar day following the last day of attendance.

(3) If a provider does not notify the department of disenrollment or of nonattendance for 14 consecutive calendar days, the provider will be paid through the last date of attendance.

(4) If a child was withdrawn from a provider because the health, safety, or welfare of the child was at risk, as determined by a substantiated complaint against the child care provider, payment to the former provider will be made through the last day that care was provided.

C. The rates set forth below are informed by a cost estimation model and include expenses for registration/educational fees per child and child and family activities on behalf of clients under 8.15.2 NMAC.

D. The amount of the payment is based upon the age of the child and average number of hours per

week needed per child during the certification period. The number of hours of care needed is determined with the parent or legal guardian at the time of certification and is reflected in the provider agreement. Providers are paid according to the units of service needed which are reflected in the child care placement agreement covering the certification period.

E. The department pays for care based upon the following units of service:

Full time	Part time 1	Part time 2 (only for split custody or in cases where a child may have two providers)	Part time 3
Care provided for an average of 30 or more hours per week per month	Care provided for an average of 8-29 hours per week per month	Care provided for an average of 8-19 hours per week per month	Care provided for an average of 7 or less hours per week per month
Pay at 100% of full time rate	Pay at 75 % of full time rate	Pay at 50 % of full time rate	Pay at 25% of full time rate

F. Hours of care shall be rounded to the nearest whole number.

G. Monthly reimbursement rates:

H. The department pays a differential rate according to the license or registration status of the provider, national accreditation status of the provider if applicable, and star level status of the provider if applicable. In the case of a public health emergency, the department secretary may approve a differential rate be paid to licensed providers.

I. Providers holding and maintaining CYFD approved national accreditation status will receive the differential rate listed in Subsection I below, per child per month for full time care above the base rate for type of child care (licensed center, group home or family home) and age of child. All providers who maintain CYFD approved national accreditation status will be paid at the accredited rates for the appropriate age group and type of care. In order to continue at this accredited reimbursement rate, a provider holding national accreditation status must meet and maintain licensing standards and maintain national accreditation status without a lapse. If a provider holding national accreditation status fails to maintain these requirements, this will result in the provider reimbursement reverting to a lower level of reimbursement.

(I) Providers who receive national accreditation on or before December 31, 2014 from an accrediting body that is no longer approved by CYFD will no longer have national accreditation status, but will remain eligible to receive an additional \$150 per child per month for full time care above the base rate for type of child care (licensed center, group home or family home) and age of child until December 31, 2017.

(a) In order to continue at this reimbursement rate until December 31, 2017 a provider holding accreditation from accrediting bodies no longer approved by CYFD must maintain licensing

standards and maintain accreditation without a lapse.

(b) If the provider fails to maintain their accreditation, the provider reimbursement will revert to the base reimbursement rate unless they have achieved a FOCUS star level or regain national accreditation status approved by CYFD.

(2) The licensee shall notify the licensing authority within 48 hours of any adverse action by the national accreditation body against the licensee's national accreditation status, including but not limited to expiration, suspension, termination, revocation, denial, nonrenewal, lapse or other action that could affect its national accreditation status. All providers are required to notify the department immediately when a change in accreditation status occurs.

J. The department will pay a differential rate per child per month for full time care above the base reimbursement rate to providers achieving higher Star levels by meeting FOCUS essential elements of quality as follows:

K. In order to continue at the FOCUS reimbursement rates, a provider must meet and maintain the most recent FOCUS eligibility requirements and star level criteria. If the provider fails to meet the FOCUS eligibility requirements and star level criteria the provider reimbursement will revert to the FOCUS criteria level demonstrated.

L. The department pays a differential rate equivalent to five percent, ten percent or fifteen percent of the applicable full-time/part-time rate to providers who provide care during non-traditional hours. Non-traditional care will be paid according to the following charts:

	1-10 hrs/wk	11-20 hrs/wk	21 or more hrs/wk
After hours	5%	10%	15%

	1-10 hrs/wk	11-20 hrs/wk	21 or more hrs/wk

M. If a significant change occurs in the client's circumstances, (see Subsection F of 8.15.2.13 NMAC) the child care placement agreement may be modified and the rate of payment is adjusted. The department

monitors attendance and reviews the placement at the end of the certification period when the child is re-certified.

N. The department may conduct provider, parent, or legal guardian, audits to assess that the approved service units are consistent with usage. 8.15.2.19 OVER PAYMENT AND RECOUPMENT: If a provider receives payment for services for which he/she is not entitled, or a client receives benefits on behalf of their child for which he/she is not entitled, and this results in an overpayment, the child care worker will initiate recoupment procedures unless the early childhood services director deems otherwise in exceptional circumstances. Recoupments will only be sought from providers. The department will not seek a recoupment from a client unless substantiated fraud by that client has been determined. The client or provider must repay the amount of the overpayment to the department within 30 calendar days of notification, unless the department determines that the amount is so large that it cannot be paid in one lump sum. In this case, the department may allow the client or provider to repay the amount over a payment period, negotiated between the client and the department, usually not to exceed four months. Failure to pay the overpayment within 30 days of the notice or failure to make regular payments under an agreed upon payment schedule may result in sanctions including termination of benefits or referral of the account to a collection agency or legal action.

8.15.2.20 FRAUD: The purposeful misrepresentation of facts relating to eligibility for benefits, or knowingly omitting information that affects eligibility is fraud and appropriate sanctions, including recoupment, termination of benefits, and referral to law enforcement, are initiated by the department. Fraudulent cases are reported to the department, which will take such action as is deemed necessary. A. Providers or clients who fail to make timely payments in the case of recoupment of overpayments may be referred to a collection agency.

B. The department may initiate the recoupment process against any provider who fail to report in a timely manner that a child has not been in attendance for 14 consecutive calendar days.

C. Providers who allow their registration or license to lapse without renewal will not be paid during the periods for which the license or registration is not current. Providers who lose national accreditation status or lose eligibility for payment at any level of reimbursement for failure to maintain the standards required to be paid at that level of reimbursement, will not be paid at that level of reimbursement beginning with the first day of the month during which the loss of accreditation or eligibility occurred. Payment recoupment will be sought for any period for which excessive benefits have been paid.

D. Clients who fail to pay co-payments may be disqualified until the co-payment is paid or until an agreement is made between the client and the provider to bring the co-payment current.

[8.15.2.21 NMAC - Rp, 8.15.2.21 NMAC, 10/01/2016; A, 3/1/2021; A, 1/1/2022]

8.15.2.22 FAIR HEARINGS: Clients who have been denied benefits, whose benefits have been reduced, terminated, or who have been sanctioned or disqualified from the program, or providers who have been sanctioned, disqualified from the program, had assistance payments suspended or terminated, or from whom a payment

recoupment is being sought may request a fair hearing. The request for a fair hearing must be made in writing within 30 calendar days from the date the department took the adverse action affecting the claimant's benefits.

A. The department reviews the request for hearing and determines if the matter can be resolved without proceeding to a fair hearing. If the matter cannot be resolved without a fair hearing, the department conducts the fair hearing within 60 calendar days of receipt of the letter requesting the hearing and notifies the claimant of the date of the hearing no less than 14 calendar days prior to the hearing. The location of the hearing must be easily accessible to the claimant. Conducting the fair hearing by telephone is permitted. The claimant may request a change of date, provided that the 60 calendar day time limit is not exceeded.

If the decision is in favor of the department, the claimant is responsible for repayment of all monies received to which the claimant was not entitled, unless the hearing decision provides otherwise or the early childhood services director authorizes otherwise in exceptional circumstances.
